COR IESU SACRATISSIMUM,  
miserere nobis.

---

I invite all to renew, in the month of June, the devotion to the Heart of Christ, making use also of the traditional prayer of daily offering and including the intentions I have proposed for the entire Church....

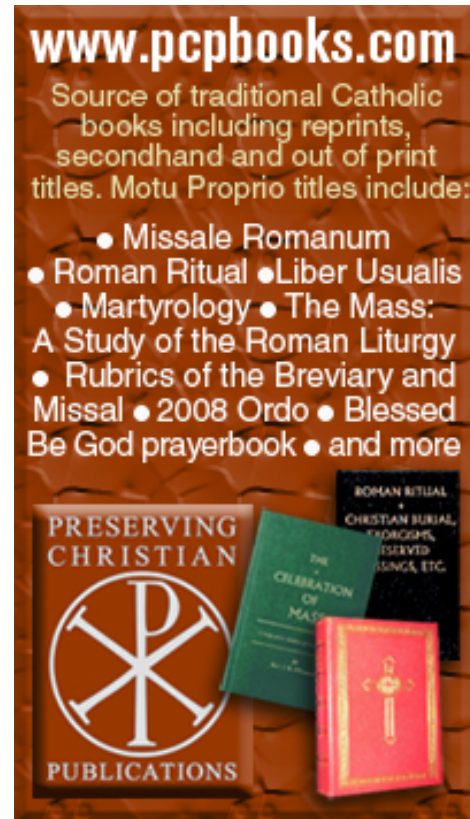

The Heart of Christ expresses in a simple and authentic way the good news of love, summarizing in itself the mystery of the Incarnation and of the Redemption. ... From the infinite horizon of his love, in fact, God wished to enter within the limits of history and of the human condition, he took on a body and a heart, so that we may contemplate and meet the infinite in the finite, the invisible and ineffable Mystery in the human Heart of Jesus, the Nazarene
